### **Our Mission**

We will produce pupils who are prepared for the constantly changing modern world. Through our curriculum, our pupils will be:

- Proficient in reading, writing, oracy and maths.
- Ambitious, driven, adaptable, confident and self-disciplined.
- Fluent in problem solving and able to master difficult academic content.
- Thoughtful, principled global citizens.
- Lifelong learners.
- Healthy individuals.
- High achievers.

We can achieve these outcomes for our pupils by working in strong partnership with families.

The Home School Agreement sets out a clear and transparent framework for our school community and its families to work together to support the young people in our care, so that we can ensure that all pupils succeed.
