Context

This policy should be read in conjunction with BMAT's other policies, as set out below:

- Single Equality Policy
- Behaviour Policy
- SEND Policy
- Exclusions Policy

Every school must have measures in place to prevent all forms of bullying. Section 89 of the Education and Inspections Act 2006 states that maintained schools must have measures to encourage good behaviour and prevent all forms of bullying amongst pupils. These measures are part of the school's behaviour and anti-bullying policies which must be communicated to all pupils, school staff and parents. Headteachers have the capacity to discipline pupils for bullying behaviour even when the pupil is not on school premises or under the lawful control of school staff.

We are committed to the promotion of community cohesion in our Trust, local, national and global levels, comparing our Academy Trust community to its local and national context and implementing all necessary actions in relation to:

- ethnicity,
- religion or belief, and
- socio-economic background.

In accordance with the values of BMAT we pledge:

- to respect the equal human rights of all our pupils;
- to educate them about equality; and
- to respect the equal rights of our staff and other members of the Academy community.

We will assess and analyse our current Academy practices and implement all necessary resulting actions to ensure pupils are not discriminated against because of their:

- Age
- Disability
- Gender Reassignment
- Race
- Religion or belief
- Sex
- Sexual orientation
- Marriage and Civil Partnership

- Pregnancy or maternity

These 'Protected characteristics' have been set out in law in the Equality Act 2010. BMAT is committed to eliminating practices, which could result in unfair or less favourable treatment for persons with a protected characteristic.

1 Vision and Values

BMAT's Mission is to run a community of schools which provide an outstanding education for every individual attending a Trust school. Our schools will be places of aspiration, where individuals matter and confidence flourishes so that achievement for all is outstanding.

We are courageous enough to make the tough decision, to do what's right – even if it's not what's popular. We are unwavering in expecting excellence of our teachers and expecting more of our children – for behaviours, relationships and academic results. We treat each other as peers, not as superiors, and choose to adopt a leadership style that asks: *'How can I help?'*

Maintaining outstanding behaviour is a key priority for all those associated with the school. This policy sets out the expectations and requirements for pupils, the various roles and responsibilities associated with these requirements and the steps that will be taken where bullying has been identified. We recognise that parents/carers have a vital role to play and we strive to establish strong home-school links and communication systems that can be utilised whenever there is concern about bullying behaviour.

We ask parents to work with the school in support of their child's learning, which includes informing the school of any special education needs or personal factors that may result in their child displaying any form of bullying behaviour. We ask that parents be prepared to attend meetings at the school with staff or the headteacher to discuss their child's behaviour and to adhere to any parenting contracts put in place.

The Trust and thus relevant schools in the Trust, will have due regard to equality, as described in our single equality policy, when tackling issues of poor behaviour. Similarly, due regard will be given to issues of Special Educational Needs and Disabilities (SEND) relevant to the behaviour of particular pupils. Please see the separate SEND policy. The nature of sanctions imposed or monitoring systems put in place will take into account such issues. In short, each school will act with fairness and their actions will be proportionate.

Any support to enable all those with 'protected characteristics' under the law and/or have needs under SEND to access information will be provided e.g. alternative languages or amended text.

2 Scope

This policy applies to all pupils in BMAT's Academies. BMAT will ensure that the contents of this policy are communicated to all staff. All parents accept this policy when their children join our school.

BMAT publishes this policy on its website. It is also posted on the Trust's own, separate website

3 Rationale

BMAT is completely opposed to bullying and will not tolerate it. It is entirely contrary to the values and principles we work and live by. All members of our school communities have a right to work in a secure and caring environment. They also have a responsibility to contribute, in whatever way they can, to the protection and maintenance of such an environment. Our schools actively promote positive interpersonal relations between all members of the community. This policy has been developed through consultation which involves all members of the Trust – children, parents, carers and Trust staff. To help meet our principles, we have established an effective and efficient system of communication with pupils, staff, parents and appropriate agencies to provide mutual information, advice and support.

4 Principles

BMAT has a zero-tolerance attitude to bullying. In this respect, this policy is intended to achieve in terms of outcomes:

For pupils: To learn in a safe and calm environment that is free from disruption and in which education is the primary focus. In addition, this policy is designed to enable pupils to recognise bullying is occurring and how to get

help and when to support a victim. Bullied victims will be listened to and reported incidents will be taken seriously and investigated. Following investigation, the bully will receive appropriate interventions and sanctions.

For staff: To effectively perform their roles to enhance the learning and teaching of pupils in a safe, respectful and enriching school

For parents/carers: To be secure that their children are safe, happy, achieving well, fully participating and are gaining skills to enhance their future study and employability.

5 Definition of Bullying

Bullying is an act of aggression, causing embarrassment, pain or discomfort to someone. It can take a number of forms: physical, verbal, making gestures, extortion and exclusion. It is an abuse of power. It can be planned and organised, or it may be unintentional. It may be perpetrated by individuals or by groups of pupils. Bullying has to be sustained, deliberate and either emotionally or physically damaging. Isolated incidents of low level annoyance are not classed as bullying.

The following are examples of bullying which we aim to prevent:

- Physical violence, such as hitting, pushing or spitting at another pupil
- Interfering with another pupil's property by stealing, hiding or damaging it
- Using offensive names when addressing another pupil
- Teasing or spreading rumours about another pupil or his/her family
- Belittling another pupil's abilities and achievements
- Writing offensive notes or graffiti about another pupil.
- Excluding another pupil from a group activity
- Ridiculing another pupil's appearance, way of speaking or personal mannerisms
- Misusing technology (internet or mobiles) to hurt or humiliate another person.
- Ridiculing people's religion, sexual orientation or gender.

Other actions may be construed as bullying, that are not included in this list.

6 Procedures and consequences

- Pupils must report bullying incidents to staff. Staff are required to allow pupils to talk and be listened to in confidence.
- All incidents of bullying will be recorded electronically on Safeguard, our electronic log, even if the incident is minor
- Bullying and threats must be investigated and immediately stopped. A separate report of the investigation will be sent to the EWO to allow patterns of school bullying to be collated and identified
- The Head of Department or Head of Faculty should be informed if bullying occurs within a particular subject. This should also be recorded on Safeguard. The Head of Year and Pastoral Support Manager/Officer are notified via Safeguard.
- The victim(s) of bullying will be supported to raise their self-esteem through skills-improving activities, counselling, regular mentoring and in any other ways that are deemed appropriate referring to external agencies if deemed necessary. An attempt will be made to help bullies change their behaviour, enabling them to recognise that they are masking a problem which they must deal with by developing cooperation skills.

- A range of sanctions (as detailed in the school Behaviour Policy) will be applied to people who are identified as perpetrator(s). Where appropriate, mediation will be conducted in a controlled environment between the perpetrator(s) and their victim(s).
- Parents, both of the victim(s) and perpetrator(s), should be informed in all cases ASAP. The former will be reassured that school is dealing with the bullying issue. Parents of the pupil who is identified as the bully will be asked to discuss the problem with them and supported to seek external help and advice.
- In serious cases exclusion will be considered and, if necessary and appropriate, the police will be informed.
- We will educate pupils about the need to report bullying through our assemblies, tutor time and through the curriculum in S, citizenship and/or PHSE lessons.
- Staff should do their best to prevent bullying before it occurs by being punctual to lessons and supervisory duties and having a well organised classroom. Staff ought to praise cooperative, inclusive, non-confrontational behaviour. It is also important that staff take every opportunity to publicly acknowledge that bullying is not acceptable and encourage the ethos of 'telling'.

7 Participation and Consultation Process

There is an on-going consultation process which includes:

- Awareness raising programmes (curriculum and parent information evenings)
- Surveys distributed to pupils, parents and whole school staff
- Regularly checking the views of elected pupil representatives within the schools e.g. pupil leaders, student council and pupil voice.
- Seeking the views of parents at information evenings or parents' evenings.
- Monitoring evaluation and review.

8 Responsibilities of all Stakeholders
