

BMAT Secondary Schools' Risk Assessment – Key Points

Overarching risk – the contraction and transmission of SARS-COV-2 COVID (Coronavirus)

Risk	Mitigation	Risk Level
<p>1. Asymptomatic Transition</p>	<ul style="list-style-type: none"> • Twice weekly testing for all staff, and secondary students. • Essential visitors to schools only. • Adults to wear masks when moving around the schools in confined spaces (primary) • All Adults and Students to wear masks at all times indoors (secondary) 	<p>Medium</p>
<p>2. Stress and Anxiety</p>	<ul style="list-style-type: none"> • EAP Programme available to all BMAT staff. • This risk assessment and accompanying guidance will be available on the Intranet. • Individual staff risk assessments have been completed where applicable. • Coronavirus policies and safety procedures are available to all staff which set out how staff should behave and the precautions they must adopt during the pandemic to keep them safe. • CEV staff are currently shielding 	<p>Low</p>
<p>3. Spread/contraction of COVID-19 due to lack of social distancing measures during the school day</p>	<ul style="list-style-type: none"> • Protocols in place for the start and end of the school day. • Teachers will have their own classrooms; students will move between lessons. • Pupils being kept in bubbles in accordance with the government guidance. • Social distancing measures including distance markings, screens, signage in place to remind all occupants of the buildings. • Where possible, all spaces are well-ventilated using natural ventilation (opening windows) or ventilation units. • Occupation of offices reduced to meet 2m social distancing guidelines. • Appropriate PPE will be provided to all those who require it. 	<p>Medium</p>

<p>4. Spread/contraction of COVID-19 due to lack of hand-washing and general poor hygiene.</p>	<ul style="list-style-type: none"> • Clear hand washing protocols in place • Hand gel sanitiser and anti-bacterial wipes are in place for all to use. 	<p>Medium</p>
<p>5. Spread/contraction of COVID-19 due to inadequate cleaning measures.</p>	<ul style="list-style-type: none"> • Regular cleaning schedule in place across the schools, including day cleaners. • Pupils asked to keep the belongings to a minimum. • Equipment of all kinds to be cleaned between use. 	<p>Low</p>
<p>6. Spread/contraction of COVID-19 due to insufficient First aid measures.</p>	<ul style="list-style-type: none"> • Clear First Aid protocols and risk assessment in place. 	<p>Low</p>
<p>7. Spread/contraction of Covid-19 due not acting appropriately when a case is suspected or confirmed.</p>	<ul style="list-style-type: none"> • Clear protocols to manage suspected protocols in place. 	<p>Low</p>
